- (c) Specific assessment; as provided in Section 4 of this Article; and

- (d) All excise taxes, if any, that from time to time may be imposed by law upon all or any portion of the assessments established by this Article; and
- (e) Interest and costs of collection of such assessments, including reasonable attorney's fees, as provided in this Declaration and

All of the foregoing are a continuing charge on the land and secured by a continuing lien upon the Lot against which each assessment is made, as provided in Section 7, below. Each such assessment, together with excise taxes, interest and all costs and expenses of collection, including reasonable attorney's fees, also is the personal obligation of the person who was the Owner of such Lot when such assessment fell due. Such personal obligation will not pass to an Owner's successors in title unless assumed expressly in writing, however.

The annual or special assessments on Class B lots and on Lots owned by a licensed building contractor and held for building of dwellings and resale thereof, shall be 50% of the corresponding assessments for Class A lots since Class B lots are vacant and have no significant impact on the Common Areas. As an alternative in lieu of such assessment, Declarant may pay the excess expenses of the Association, including reserves, which exceed the amounts collected from Class A lot assessments and other Class B Lots, as long as Class A assessments do not exceed Five Hundred Dollars (\$500) per year.

Each member shall, through the assessments, share in the expenses of the Association in an amount proportional to a fraction of which the numerator is one and the denominator is the number of platted lots in the Property.

Section 2. Annual Assessment. The annual assessment must be used exclusively to promote the recreation, health safety and welfare of the residents within the Properties, including (i) the operation, management, maintenance, repair, servicing, renewal, replacement and improvements of the Common Area and the establishment of reserve accounts therefor; and (ii) the cost of labor, equipment, materials, management and, supervision of the Common Area; and (iii) all other general activities and expenses of the Association.

Section 3. Special Assessments for Nonrecurring Maintenance and Capital Improvements. In addition to the annual assessment authorized above, the Association may levy special assessments as follows:

- a. In an assessment year, a special assessment in addition to the annual assessment which is applicable to that year only for the purpose of defraying, in whole or in part, the cost of any nonrecurring maintenance, or the acquisition, construction, reconstruction, repair, or replacement of a construction, reconstruction, repair or replacement of a capital improvement upon any Common Area, including fixtures and personal property related thereto may be assessed. The Association shall account for such special assessments separately from other funds. Such proceeds shall be used solely and exclusively to fund the nonrecurring maintenance or improvements in question, provided such assessment first is approved by seventy-five percent (75%) of the members present and voting in person or by proxy at a meeting duly convened for such purpose. Any such special assessment may be payable in one or more installments, with or without interest, as seventy-five percent (75%) of the Members so present and voting determine.

Section 4. Specific Assessments. Any and all accrued, liquidated indebtedness of any Owner to the Association arising under the provision of this Declaration, or by contract expressed or implied, or because of any act or omission of any Owners or person for whom such Owner is responsible, also may be assessed by the Association against such Owner's Lot after such Owners fails to pay it within thirty (30) days after written demand.

Section 5. Amount. Until the close of the first fiscal year following Declarant's conveyance of the Common Area to the Association, the annual assessment will not exceed \$500.00 per Lot. At least thirty (30) days before the expiration of each fiscal year, the Board will prepare and distribute to each Owners a proposed budget for the Association's operations during the next ensuing fiscal year. If such budget requires an annual assessment of 115% or less of the annual assessment then in effect, the assessment so proposed will take effect at the commencement of the next ensuing fiscal year without further notice to any Owner. If such budget requires an annual assessment that is either more than one hundred fifteen percent (115%) of the annual assessment then in effect, or would increase the budget by an amount exceeding the increase in the Consumer Price Index ("CPI") published by the U.S. Department of Labor for the preceding year, or a comparable index if the CPI is not available, whichever increase is greater, then however, the Board must call a membership meeting on not less than fifteen (15) days prior notice for the purpose of approving such increase. A majority of the votes, pursuant to Article V, Section 2, of those Members present and voting is sufficient for such approval, and the assessment approved will take effect at the commencement of the next ensuing fiscal year without further notice to any Owners. If the proposed assessment is disapproved, a majority of the votes will determine the annual assessment for the next ensuing fiscal year, which may be in any amount not exceeding that stated in the meeting notice. Each annual assessment may be payable in such number of installments, with or without interest, as the Board determines. In the absence of any action by the Board or the membership to the contrary prior to the commencement of any fiscal year, the annual assessment then in effect automatically will continue for the ensuing year.

The share of common expenses due from each Lot shall be a fraction, the numerator of which is one and the denominator of which is the total number of Lots subject to assessment under this Declaration.

Section 6. Commencement. The assessments provided by this Article will commence as to all Lots on the first day of the first month following Declarant's first conveyance of title to any Lot to a Class A Member and will be prorated on the basis of the number of months then remaining in the Association's fiscal year, as determined in the By-Laws.

Section 7. Assessment Lien. All sums assessed to any Lot, together with interest and all costs and expenses of collection, including reasonable attorneys' fees, are secured by a continuing lien on such Lot in favor of the Association. Such lien is subject to an inferior to the lien for all sums secured by any First Mortgage encumbering such Lot; but all other lienors acquiring liens on any Lot after this Declaration is recorded are deemed to consent that such liens are inferior to the lien established by this Declaration, whether or not such consent is set forth in the instrument creating such lien. The recordation of this Declaration constituted constructive notice to all subsequent purchasers and creditors, or either, of the existence of the Association's lien and its priority. The Association may, but is not required to, from time to time, record a Notice of Lien to further evident the lien established by this Declaration.

Section 8. Association Remedies. Any assessment not paid within thirty (30) days after its due date bears interest at the maximum rate of interest allowed by law at the time. The Association may sue the Owner personally obligated to pay such assessment for a money judgment, and it may foreclose its lien against such Owner's Lot. A suit to recover a money judgment for unpaid assessments may be maintained without foreclosing, waiving, or otherwise, impairing the security of the Associations' lien, or its priority. No Owner may waive or escape liability for the Association's assessments by non-use of the Common Area of by abandonment of such Owner's Lot.

Section 9. Foreclosure. The lien for sums assessed pursuant to this Article may be enforced by a judicial foreclosure in the same manner in which mortgages on real property from time to time may be foreclosed in the State of Florida. In such foreclosure, the Owner is required to pay all costs and expenses of foreclosure including reasonable attorney's fees. All such costs and expenses are secured by the lien foreclosed. Such Owner also is required to pay to the Association all assessments against the Lot that become due during the period of foreclosure, which also are secured by the lien foreclosed and will be accounted and paid as of the date the Owner's title is divested for foreclosure. The Association has the right and power to bid at the foreclosure, or to acquire such Lot by deed or other proceeding in lieu of foreclosure, and thereafter to hold, convey, lease, rent, use and otherwise deal with such Lot as its Owner for purposes of resale only. If any foreclosure shall result in a deficiency, the Association may petition the Court having jurisdiction of the foreclosure to enter a personal judgment against the Owner for such deficiency.

Section 10. Exempt Lots. Any and all Lots from time to time owned by the Association will be exempt from the assessments established by this Article during the period of such ownership. This Association may not own or otherwise acquire Lots except (i) pursuant to foreclosure of the Association's lien, or (ii) one Lot for use as a residence by any resident manager for the Properties who is employed by the Association or Association's manager.

Section 11. Lien Subordination. The Association's lien established by the Declaration is subordinate to the lien of any First Mortgage. Sale or transfer of any Lot pursuant to foreclosure of any First Mortgage, or any proceeding in lieu thereof, extinguishes the Association's lien as to payments that became due prior to such sale or transfer, without prejudice, however, to the Association's right to collect such amounts from the Owners personally liable for their payment. No such sale or transfer relieves such Lot from liability for assessment thereafter becoming due or from the lien thereof. Any encumbrancer holding a lien on a Lot may pay, but is not required to pay, any amount secured by the lien created by this Article; and upon such payment, such encumbrancer will be subrogated to all right of the Association with respect to such lien, including priority.

ARTICLE VII ARCHITECTURAL CONTROL

Section 1. Authority. No dwellings, building, parking cover, shed, dock, structure, fence, outbuilding, color change, addition, exterior alteration, swimming pool, lanai, screened porch, addition or substantial attachment may be erected, placed, reconstructed or permitted to remain on any Lot unless and until approved by the Architectural Committee. Such approval will not be unreasonably withheld for replacements or reconstructions that conform in design, materials, appearance and quality of that of the original work.

Section 2. Procedure. All applications to the Architectural Committee must be accompanied by reasonably detailed plans and specifications. If the Architectural Committee does not approve or disapprove any application within forty-five (45) days after receipt of an application consisting of a complete set of plans and specification, its application will be deemed to be disapproved. In all other events, approval must be in writing. The procedures for approval at all times must afford any affected Owner with reasonable prior notice and a reasonable opportunity to be heard in person or by representatives of such owner's choosing, or both. The Architectural Committee may assess a reasonable fee against the owner seeking approval for any such review.

The approval or consent of the committee to any Plans and Specifications for any work done or proposed or in connection with any other matter requiring the approval or consent of the Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any Plans or Specifications or other matters subsequently or additionally submitted for approval or consent to the same for a different person.

Section 3. Committee Membership. The Architectural Committee membership shall be initially the Declarant. While the Architectural Committee is the Declarant, it shall not be a committee of the Association. The Address of the Architectural Committee is 4903 Sylvan Oaks Drive, Valrico, Florida 33594. However, at such time as all of the Lots in the Subdivisions have been sold by Declarant, the powers and duties of the Architectural Committee shall immediately vest in and be assigned to the Association, and the Architectural Committee shall thereafter exist as a committee of the Association under the control of the Association's Board of Directors.

Section 4. Replacement. In the event of the death, inability to serve because of disability, or resignation of any member or members thereof shall appoint a successor member or members, and until such successor member or members shall have been so appointed the remaining member or members shall have full authority to exercise the powers and perform the duties of the Architectural Committee.

Section 5. Standards. In reviewing any particular application, the Architectural Committee must consider whether its action will: (i) assure harmony of external design, materials and location in relation to surrounding buildings and topography within the Properties; and (ii) preserve the value and desirability of the Properties as a residential community; and (iii) be consistent with the provisions of this Declaration; (iv) be in the best interest of all Owners in maintaining the value and desirability of the Properties as a residential community.

Section 6. Time Limit to Build. Construction of the exterior and interior of any structure shall be completed within one hundred and eighty (180) days from the date of the commencement of construction thereof; provided, however, that the Architectural Committee may grant a reasonable time extension upon receipt of a written application for such extension by Owner, which application requested and the reason that such extension is necessary. All construction shall be diligently pursued to completion within a reasonable time after such work has begun.

ARTICLE VIII GENERAL PROVISIONS

Declarant also has the right to enforce all provisions of this Declaration relating to the use, maintenance, and preservation of the Properties, and,

if Declarant is the prevailing party in any litigation involving this Declaration, to recover all of the Declarant's cost and expense incurred, including reasonable attorney's fees.

At such meeting the presence in person or by proxy of Members entitled to cast at least fifty percent (50%) of the votes, pursuant to Article V, Section 2, outstanding constitutes a quorum.

Section 3. Rights of Mortgages. By agreement between any Owners and the holder of any mortgage on such Owner's Lot, any and all membership rights of such Owner may be assigned to, and exercised by, such Mortgages as collateral or additional security for performance of the obligations secured by such mortgage, but no such assignment or delegation will bind the Association until the Association has received written notice thereof.

Section 4. Approval of FHA/VA. Notwithstanding anything contained herein to the contrary, any amendment to this Declaration, the Articles, or the By-Laws; or any annexation of additional property, or any merger or consolidation of the association or any dissolution of the association; or any mortgaging sale or dedication of any common area, must be approved by the Federal Housing Administration or the Veterans Administration as long as there is Class "B" members.

Section 5. Severability. Invalidation of any particular provision of this Declaration by judgment or court order will not affect any other provision, all of which will remain in full force and effect as provided, however, any court of competent jurisdiction is hereby empowered to the extent practicable, to reform any otherwise invalid provision of this Declaration when necessary to avoid a finding of invalidity, which otherwise effectuate Declarant's intent of providing a comprehensive plan for the use, development, sale and beneficial enjoyment of the Properties.

Section 7. Easements for De Minimis Unintentional Encroachments. Where necessary and appropriate, Declarant and/or the Association, whichever is in control of the particular portion of the Properties at the time, may grant easement for de minimis unintentional encroachments.

This Declaration should be construed in favor of the party seeking to enforce its provisions to effectuate its purpose of protecting and enhancing the value, marketability, and desirability of the properties as a residential community by providing a common plan for their development and enjoyment.

Section 9. Annexation of Additional Property.
